Dear Company,

Referring to the evaluation criteria, stated in our invitation letter to submit an offer for the manufacturing of the electro-mechanical structures for the prototypes of Cherenkov telescope with a dual-reflection layout for supplies relevant to the ASTRI project, which defines the scores related to the parameters ID2 and ID3 as per "D.P.R. 2007/2010 attachment P letter II.b" we specify that the criterion to calculate the X parameter, is  $X=1$

Best regards

Dr. Luca Stringhetti
