

X-ray Astronomy: towards the next 50 years!

Third announcement

Dear colleagues,

this is to inform you that the deadline for the reduced registration fee of 350 Euro has been extended up to July 11th, 2012. After this date, a late registration fee of 450 Euro will be applied.

You may register at the following link:

http://www.brera.inaf.it/xrayastronomy_anniversary/registration.html

PhD students, registering up to July 11th, can ask for a reduced fee of 250 Euro. Such requests will be considered only if they are supported by a mail by the PhD Adviser.

Updated information about registration, abstract submission, program, special events and logistic are available at the conference website:

http://www.brera.inaf.it/xrayastronomy_anniversary

While the list of the Invited speakers is already available, please note that the final program will be posted by the end of July. A special session devoted to the history of X-ray astronomy will also be included in the program, with the participation of R. Giacconi, J. Bleeker, L. Piro, K. Pounds, Y. Tanaka and J. Trumper.

Please note that the proceedings of the conference will be published in a dedicated volume which will cover both oral and poster presentations.

We remind you to take care of your hotel reservation as soon as possible, since October is a busy month in Milano and our bulk reservations will expire soon.

For any additional information you may need please contact the helpdesk, e-mail: loc-xastro50@brera.inaf.it

Finally, the file of the conference poster can be download at the following link:
