

Travel directions

BY CAR:

From the South, Via Milan: Follow the “tangenziale est”, the east side of the motorway bypass around Milan into the direction of Vimercate, until to its end at Usmate. Take the road SS 36 Milano-Lecco-Colico, and then from Colico the SS 38 in the direction of Morbegno-Sondrio-Tirano up to Bormio.

From the West, Via Milan: Coming along the motorway Milano-Varese, once in Milan, take the motorway Milano-Venezia (Venice) into the direction of Venice until the exit Sesto San Giovanni. Now follow the signs for Lecco, go onto the road SS 36 Milano-Lecco-Colico, and from Colico the SS 38 in the direction of Morbegno-Sondrio-Tirano up to Bormio

From the North, Via Switzerland passing by Tirano: Bernina Pass (2323 m). Please pay attention to weather forecasts

From the North, Via Switzerland passing through Livigno
Coming from Zerne, in the Swiss Engadin, go through the Tunnel Passo del Gallo. It is open all year round, during the daytime only. Pay toll.

ATTENTION!

Please note > the following mountain routes are closed during winter season but navigation system and route planners do not consider it!!

Passo del Gavia 2621m (from the province Brescia - Ponte di Legno)

Passo dello Stelvio 2758m (from the province Bolzano)

coming from the north - faster than through the Tunnel
Passo del Gallo.
Passo Santa Maria – Umbrail 2502m (Swiss border) -
faster than through the Tunnel Passo del Gallo.
Passo della Forcola 2315m (St. Moritz - Switzerland)
going to Livigno
